# WELCOME!

Queen's Park Day brings people together from across the capital. A key mission for the day is to provide a willing audience for over 40 local charities to raise funds for their special causes, benefitting our wider community. Despite tightening budgets and rising costs, our Queen's Park Day team have made a singular effort this year to maintain this day as a free-for-all event. We owe them a huge thank you. We urge all our visitors to remind our City of London sponsors how cherished this day is, as well as to show our appreciation for the beautiful space they provide.

This year, QPARA are seeking community funding to supplement the generous grants received from the City of London and HS2 to reinvigorate the long-since-closed paddling pool and make a new splash park available to all park users.

We hope you enjoy our abundant selection of local crafters, makers and bakers, as well as live music, dance and drama. Join in an eclectic mix of activities – from acrobats and the tug of war to donkey rides and ferret racing.

If you would like to get involved with local initiatives or fundraising for the new splash park please do get in touch.
